To: Energy Service Providers

Subject: 2009/2010 Department of Energy (DOE) Weatherization Assistance Program  
(WAP) Term Extension

---

The purpose of this broadcast is to announce that DOE has granted the Department of Community Services (CSD) a term extension for the 2009/2010 DOE program. The Department will issue a contract amendment soon that will extend the contract term through June 30, 2012 as well as require providers to submit updated performance benchmarks for production and expenditures to align with the term extension. Additionally, CSD will require providers to submit the close-out report within 60 calendar days after the expiration of the contract to ensure timely submission of the final close-out report to DOE.
